

Environmental Analysis

AIR QUALITY

No Significant Impacts

- ▶ Construction and operations would be within Naval Base Kitsap-Bangor's allowable air quality permit limits.
- ▶ Construction for the Proposed Action would adhere to best management practices.

WATER RESOURCES

No Significant Impacts

- ▶ There would be an increase of approximately 7 acres of impervious surface.
- ▶ Stormwater management, treatment, and discharge would comply with applicable permits.

BIOLOGICAL RESOURCES

No Significant Impacts

- ▶ Consultations with regulatory agencies are ongoing.
- ▶ Not likely to adversely affect any threatened or endangered species or their critical habitat.
- ▶ Stormwater upgrades and permit compliance would ensure water quality sufficient to support aquatic life.
