SUPPLEMENTARY INFORMATION:

Title: Rule 50.50 End-User Notification of Non-Cleared Swap (OMB Control No. 3038–0085). This is a request for an extension of a currently approved information collection.

Abstract: CFTC Rule 50.50 specifies the requirements for eligible end-users who may elect the end-user exception from the Commission’s swap clearing requirement, as provided under section 2(h)(7) of the Commodity Exchange Act (“CEA”). Rule 50.50 requires the counterparties to report certain information to a swap data repository registered with the Commission, or to the Commission directly, if one or more counterparties elects the end-user exception. The rule establishes a reporting requirement for end-users that is critical to ensuring compliance with the Commission’s clearing requirement under section 2(h)(1) of the CEA and is necessary in order for Commission staff to prevent abuse of the end-user exception. In addition, this collection relates to information that the Commission needs to monitor elections of the end-user exception and to assess market risks.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.² On July 31, 2025, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 90 FR 36027 (“60-Day Notice”). The Commission did not receive any comments on the 60-Day Notice.

Burden Statement: The Commission is revising its estimate of the burden for

this collection to reflect the current number of respondents and estimated burden hours. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 1,930.

Estimated Average Burden Hours per Respondent: 0.58 hours.

Estimated Total Annual Burden Hours: 1,119 hours.

Frequency of Collection: On occasion; annually.

There are no capital costs or operating and maintenance costs associated with this collection.

Dated: December 1, 2025.

Deputy Secretary of the Commission.
